December 2011

Wandi Progress Association Report

Another year has almost past, Christmas is almost upon us and we have a new year to look forward to. The WPA committee wishes everybody a happy and safe holiday period.

Reflecting on the year the committee has been active on all Wandi residents' behalf, bringing up residents issues of concern with council and of course attempting to nurture and keep the wonderful environment we live in as pristine as possible in a time of change for the area.

The increased use of the resource center by further groups really reflects the time and effort put in by the committee and in particular Rod and Debbie Cocks along with Janet Carr. It is quite amazing the work that goes on in the background to ensure the smooth running of the facility.

Our affiliated Wandi Landcare Group also has done sterling work over the year under the strong leadership of Fred Erdsieck. This group really "puts back" into Wandi improving our bush to a point where hopefully it will be protected from urban development. It is really a "jewel" in what is now a central point in the Perth sprawl.

So what for 2012, of course we have our 25th year anniversary which we will celebrate later in the year. Also hopefully we will receive the grants that have been applied for in respect of the new multipurpose facility and work will get underway on this by the end of the year.

We finally welcome the new residents from Honeywood and hope that they will enjoy the "country retreat" here in Wandi as much as the present residents do.

Best Regards from the Wandi Progress Association
WandiProgress@gmail.com

Do You Enjoy Your Local News in the Wandi Warbler? This is the LAST delivered printed copy! Would YOU like to continue receiving a full colour copy via Email?

All you need to do is send your Email Address to WandiProgress@gmail.com

This is the final printed copy delivery of the Wandi Warbler with resultant benefit to the environment. All email addresses are kept secure to ensure your privacy and will not be passed on to others or commercial entities. We do however understand that there are a number of people who would like hard copies because they prefer that option. As this does incur some cost ***there is a requirement that they are paid up members of the Wandi Progress Association.*** Family membership costs just \$10, a form for 2012 will be sent out with the AGM notice in February. Should you require a printed copy please register by phoning Janet Carr on 94100982. If you have contacted us previously you do not need to contact us again. Therefore if you do not wish to miss out on the Warbler you will need to contact us by either of these two methods.

WPA COMMITTEE & MEETING DATES 2011/2012

14 Dec / 18 Jan / 15 Feb / 21 Mar / 18 Apr / 16 May / 20 June / 18 July / 15 Aug / 19 Sept / 17 Oct / 21 Nov / 18 Dec

President: Rod Pattinson

Vice Presidents: Fred Erdsieck, Les Whiddett

Treasurer: Julia Freeman

Secretary: Janet Carr

Committee Members: Robyn Marschner, Debbie Cocks, Rod Cocks, Peter Hegarty, Sandra Knight, Jim Russell, Wayne Tentori, Ken Workman

Mayor Carol Adams Corner

It is my pleasure to once again address the residents of Wandí and provide an update from the Town of Kwinana.

Livestock Management - I will start with an issue that is of particular importance to many Wandí residents; the environmental management of livestock (including, but not limited to, equine) on properties. In 2008 a working group was established to discuss this issue and develop better practices. The group included residents from Wandí, an environmental consultant and Town of Kwinana Councillors and staff. From this group, the Livestock Environmental Management Guidelines were formed; a document which aims to provide a mutually beneficial approach to what can often be a complicated issue. In early 2010, a draft of these guidelines was provided to the community for comment. Minimal feedback was received and Council subsequently endorsed the guidelines.

The Town of Kwinana Livestock Environmental Management Guidelines have since been implemented and are used by Council Environmental Health Officers and residents alike, to ensure standards are appropriately met. It is important to reiterate that the Town's Environmental Health Officers will not make decisions in regards to the health of livestock but rather they will investigate the area in which the animals are present and ensure environmental and public health standards are being met.

Preparing for the Fire Season

With the summer months now upon us it is very important that Wandí residents (in fact all community members) take the appropriate steps to prepare their homes and protect their families, from the threat of bushfires.

Firebreak notices were issued last month and compliance was due on **30 November**. Those who are yet to comply with their fire notices need to do so now as a priority, firstly to avoid penalties but more importantly to ensure the safety of their families and property.

Various Issues on Lyon Road

The Town has received complaints in relation to unlawful parking on Lyon Road, increased vehicle speed and litter that would seem to be coming from tradespersons who are involved in the construction of the display village at Honeywood Estate. The issue regarding the reduction of speed in Lyon Rd had been considered by Main Roads WA but it would seem they are reluctant to reduce the speed limit until the development has progressed further. This is of course of no immediate comfort to those living on Lyon Road. Council Rangers have been made aware of the parking issues and will attend if contacted, however their attendance, like most matters, will depend on availability and/or competing priorities. The builders have been advised by the Town about the littering issues.

The Year that Was

As the year draws to an end we reflect on the many accomplishments of the past 12 months, including the recent opening of the Zone, our \$7.5million, two-storey youth space on Gilmore Avenue. If you have wandered into the Town Centre recently you couldn't help but notice that the new Tavern is well on the way to completion (March 2012) and the Community Resource and Knowledge Centre is certainly taking shape.

The Town is hosting a community information night at the Council Chambers on Tuesday 6th December from 6 – 7.30pm where we will inform the community of the development currently underway, and what we have planned. Woolworths have agreed to attend and also expand on their development plans for the Hub Shopping Centre and the new Tavern owners will also provide a briefing on the development. We invite any interested residents to attend and find out more about what is going on in the Town. 2012 will again be a year of grand openings and celebrations and will cement Kwinana's position as Perth's most rapidly developing community. I invite you to join us in celebrating these achievements and sharing the excitement that is being felt throughout the entire Kwinana community.

In closing, on behalf of my fellow Councillors and the staff at the Town of Kwinana I wish you all a Merry Christmas and a prosperous start to the New Year.

Yours in Kwinana, Mayor Carol Adams

Mandogalup Station going "Off the Rails"??

It seems that there is now some doubt that the new station for our area may be located in Wandí. As a result the Kwinana Town Council has asked the State Government to confirm that a the proposed train station planned for Mandogalup will not be moved further north to Success in Cockburn. This does not really make any sense in that there is already a major hub at Cockburn Central. See a full report at http://www.inmycommunity.com.au/news-and-views/local-news/Mandogalup-or-bust/7605864/?utm_source=dlvr.it&utm_medium=twitter

Road Safety at the corner of Liddelow and Armadale Roads

The following report from the Banjup Residents Group is interesting, they are doing some really good work for their community. The Junction of Liddelow and Armadale road is very hazardous, especially when turning right. Sadly government funding for this junction may only arrive when it is too late. Personally I avoid the junction these days, taking the approach "taking 5 saves lives"...Ed.

Joe Francis, the local MP for Jandakot, arranged for members of the Banjup Residents Group to meet with the Main Roads Metropolitan Traffic Services Manager and the Policy Adviser to the Minister for Transport on site at the junction of Liddelow and Armadale Roads. The Traffic Manager was familiar with the junction and recognised that the risk of a serious accident had increased significantly since the junction was first built many years ago when Armadale Road was a 'rural' road. Now with 45,000 vehicles a day using the road (rising to 60,000 in a few years) the junction needs to be completely redesigned, as it will be when Armadale Road is duplicated. Sadly, budget has yet to be allocated for that project, so relief is at least 5 years away. Apparently, there is insufficient road width at the junction just to paint a turning 'pocket' at the junction. However, there may be some low cost options to widen the road a little. Main Roads and the Minister's office will liaise to see if anything can be done within the budgetary constraints. The Banjup Residents Group is hopeful that an interim, low cost solution can be devised that will soon make the junction much safer. We do not want someone seriously hurt before funds become available.

Wandi Progress Association 25 YEARS OLD

In 2012 the Wandu Progress Association will be celebrating its 25th anniversary. A final decision on how we will commemorate this important milestone will be made by the incoming committee following the annual general meeting in February. Further details will appear on the website.

Wandi Playgroup Looking for Old Boys and Girls – Reunion for Inaugural Members 1994 to 1997

For those who were inaugural members of the playgroup from 1994 to 1997, some of the original members are planning a Wandu Playgroup reunion on the 14th January 2012. If you are interested in coming along can you contact Marilyn on 94100290 or 0419192463.

Clean Up in Wandu

The WPA is again registering a site for Clean Up Australia which will be held on **Sunday 4 March 2012 between 9am and 11am**. We will be based at the Community Centre but teams will collect rubbish from the roadsides around the suburb. Many hands make light work so we look forward to seeing lots of residents helping out on the day. Further details will appear on the website in due course.

Janet Carr

Recycling Options

Many householders and businesses are unsure how to dispose of car batteries, other electronic waste and office paper. Planet Ark states that waste is still the biggest problem facing Australian households and businesses. Printer cartridges, mobile phones and batteries are three of the most common forms of electronic waste and there are effective ways to deal with them. Cartridges 4 Planet Ark and MobileMuster programs operate through all Officeworks stores and participating Australia Post outlets where cartridges and mobiles can be recycled. More than 345 million batteries are bought in Australia each year including 1.8 million car batteries. There are now well-established networks for their responsible collection and recycling thanks to Battery World, also you can take them to the tip at Brookdale which is more convenient than Millar Road. General small batteries can be taken to the Council Office in Kwinana.

Kwinana Council "Twits"

I had to give this article this headline-ed. The Town of Kwinana is now active on three of the world's most popular social communities; Facebook, Twitter and YouTube. Council has been looking for ways to further engage with residents and social media, Facebook in particular, will allow for a much more fluid and transparent dialogue between the community and the Town. The Town of Kwinana Facebook Page is liked by more than 180 community members who regularly jump online to ask questions or provide feedback. They welcome all comments, questions and discussions and encourage any resident who is currently active on these social media platforms to join us in making Kwinana a better place to live, work and visit.

The pages can be found as follows

- Facebook - www.facebook.com/townofkwinana
- Twitter - www.twitter.com/townofkwinana
- YouTube - www.youtube.com/townofkwinana

Lions Christmas cakes and puddings are once again available. The 1.5kg cake costs \$14.00, 1kg cake is \$10.00 and the 900g pudding \$11.00. Money raised from the sale of the cakes goes to the various charities supported by Lions. Please contact Lawrie Carr on 0417 967 755 or email lawriecarr@inet.net.au to place your order. He is happy to deliver orders to Wandii residents.

Alcoa Tailings Buffer Extended Causing Resident Concerns

KWINANA Council has asked the Department of Planning to meet with Mandogalup residents to discuss their health and amenity concerns over an extension of the buffer zone around Alcoa's tailings area. At the council meeting on October 12th council passed a motion to support rezoning of land, just outside the revised Kwinana Air Quality Buffer in the suburb, to 'urban zone' to allow for future residential and commercial development. Affected Mandogalup residents have raised concerns that the WA Planning Commission and Alcoa did not consult them over the extension of the buffer by about 1km to 1.5km late last year. Private properties and land owned by housing developers now falls into the buffer which opens a new "can of worms".

Are YOU Bushfire Ready?

On Saturday 26th November a BushFire Ready Streetmeet was held at the Wandii Hall. The event was a great success with over a hundred residents attending. Thanks to all those that attended, I hope everyone picked up some valuable information on preparing themselves and their property for this year's fire season. All rural residents should have by now received a Prepare, Act and Survive booklet. Please take the time to read it as it will help you to stay safe this summer. If you couldn't make the session or would like any further information, please contact me on 0408 988 122. - Steve Treeby, Captain, Mandogalup Volunteer Bush Fire Brigade.

Junior Sail Program

Jervoise Bay Sailing Club is running a Junior Sail program for years 2 to 6 running from October 2011 to April 2012. Children must be able to swim 10 Metres. Contact the club Junior Sail Coordinator Vikki for details on 0421 010 858 or email jbschouse@gmail.com

Wandi Progress Association Website – <http://wandiprogess.org>

The Wandii Progress (WPA) and Wandii Landcare Group (WLCG) web sites have both been moved to a new server and both now can be accessed just by typing either wandiprogess.org or wandilandcare.org in your browser. Some of the links on previous issues of the Wandii Warbler will not work directly but if you edit them to remove the prefix, you can access the file normally. Sorry for any inconvenience this may cause but it will make it easier for all further down the road.

Server Space for Local Groups

The <http://wandiprogess.org> and <http://wandilandcare.org> websites now have the ability to offer local community, small not for profit and environmental groups server space to promote themselves. The space will be under a subdomain much like the WPA and WLCG used to have prior to having their own servers. You will have an email address as needed tied to your subdomain and use one of the many pre-made websites out there like Wordpress or Joomla. A typical example is the Wood Carvers WA who have accepted our offer. Their website will be woodcarverswa.wandiprogess.org and their email address would be contact@woodcarverswa.wandiprogess.org If you are interested or would like more information, please email Fred Erdtsieck at webmaster@wandiprogess.org

Events Calendar

The Events Calendar page on the WPA website is starting to have plenty of free local events and activities added. The link is http://wandiprogess.org/_php/events.php and it is located on the home page menu. If you wish to add your local activity here please email Fred Erdtsieck at events@wandiprogess.org.

WPA Blog

The WPA blog can be found at <http://blogg.wandiprogess.org>

Wandi Progress Association AGM

Just a note for your Diary, the WPA AGM is scheduled for Wednesday February 15th 2012.

Around the Resource Centre

Tennis Courts - To book the tennis courts please phone Debbie (9410 2009) or Ken (93971060) between 9:00am and 5:00pm. The cost is \$5 per hour. Yearly memberships are available at \$125 as well. A \$20 key bond is required on both hourly and annual memberships. ***Please do not forget to remove the net tension and pick up your rubbish after playing.***

Wandi Community Facilities - If you are a member of a club or would like to start a new club that would benefit the Wandi community please contact one of the committee or attend a WPA meeting to discuss your proposal. Contact **Debbie on 94102009**

Proposed New Multipurpose Facility - The WPA has been working closely with the Town of Kwinana preparing grant applications for our proposed new building that will be located near the shed and De Haer Road. By the time you receive this newsletter grants would have been submitted to Department of Sport and Recreation, Lottery West and the Federal Government. The funding we are seeking is for around 1 million dollars and will provide a more purposeful building for Smithy's Boxing Gym and some of the woodworking groups.

If we are successful in gaining the new building it will allow many of the permanent groups to move around freeing up space for future groups, casual hire and allow the expansion of the existing groups. The gym section of the building will also allow other indoor exercise groups to develop in the same way. If you have an interest in starting up an exercise group please contact us.

More Groups Use Wandi Community Facilities - Over the last twelve months many of the permanent groups have expanded in membership and are enjoying our wonderful facilities. Before and after Xmas three different caravan clubs will use the oval and hall for their annual metropolitan three day stay. Having a facility so close to Perth allows their more senior members to get out without the issues of a long drive before enjoying the club fellowship. Also the Wandi Hall was chosen for the National Diabetes and Lifestyle testing, with many locals participating in their third test.

Sue Wraight is a world renowned carver of miniatures held a two day workshop with the Carvers Guild of WA during the year. Her workshop was received so well I'm sure she will be back in a year or so. The woodturners are in the planning stages for an international turner to make a visit in 2012.

I wish everyone a Merry Christmas and Safe New Year for 2012.
Thanks to Rod Cocks for this article.

Wandi Playgroup - First of all a big THANKYOU to all of you who sent through to the Town of Kwinana their group donation slips, which come with the rates, supporting Wandi Playgroup. It makes a big difference to the way we operate. Wandi Playgroup would LOVE to see New Members for the 2012 year. We are an easy going group who need continued involvement from the local community. The Playgroup has great quality toys and plenty of them, a craft cupboard full of gear waiting for use and a shaded playground and sandpit. What more could you ask for! Playgroup is a fantastic way to develop social and sharing skills. All of the children who come love the relaxed atmosphere and enjoy themselves. Please come down! Fees are cheap, casual rates are available and there is no fundraising. We run on Tuesdays through out school term from 9am to 11am. Fruit time is around 10am. Please bring a piece of fruit. Your first session is free. For further information please call Susan on 93932304 or Natalie on 94987210.

The Playgroup will be resuming on the 7th February 2012.

Hey Kids!...Santa Clause is coming to Wandi ☺

Look out for on Santa and his local firefighter volunteer helpers on Christmas morning from 7:30am. As he will be very busy he will not have the time to come down driveways. He will play loud Christmas music so the best thing for families to do is to listen out for him and to wait at their gate/driveway. A clearly visible "Santa Please Stop Here" sign is helpful, especially if there are small children. Thanks also to the Town of Kwinana who provide Santa with the lollies all bagged up.

The Wandi Progress Association wishes everybody a Happy, Safe and Joyous Christmas along with a healthy successful 2012 ☺

Wandi Landcare Group

Wandi Landcare Updates

The Wandi Landcare group has moved into a period of calm where there is only the acquittal of funds to be done i.e., the dreaded paper work. The only month of activity was October where Les Whiddet and I aided Julia Cullity from DEC to survey for Declared Rare Flora in the Wandi Nature Reserve and surrounds.

DRF Survey

On October 3rd and 4th, DEC held its yearly Declared Rare Flora survey at the Wandi Nature Reserve (WNR) and surrounds. The plan this year was to go over the areas previously surveyed to see if any new King Spider Orchid *Caladenia Huegleyi* to add to the ever growing members of the family and then survey areas where they had been sighted before.

The late rains had allowed the orchids to flower earlier than they usually do and they had mostly well and truly bloomed at the time that time. It made the job very difficult but we persevered and found more new individuals to the number. No new populations were discovered in the WNR. The plan was to survey an area in the Oakford side of the Jandakot Regional Park (JRP), over the eastern side of the drain, where I had found some previously. We surveyed the area well but unfortunately came up empty. The following day we surveyed the JRP on the eastern side of De Haer Road opposite the WNR but came up empty there too. The only thing we did find was a fat tiger snake that sent Les Whiddet scurrying away in the opposite direction. I'm sure that if the conditions had been different and the orchids hadn't bloomed so early that we may have had more of a chance.

To round off 2011 I would like to thank all those members and non members that have helped out our activities throughout the year. Your hard work has been appreciated by the local animals and by the group. Thank you and we hope to see you again next year. May you all have a Merry Xmas and a happy and prosperous New Year.

Fred Erdsieck, Wandi Landcare Group Coordinator T: 6467 7174 M: 0428 604 032 E: wandilandcare@gmail.com
W: <http://wandilandcare.org>

Wandi Crime Watch

Incidents – There were reports of burglaries in;

September

Robinson Road

Stefanelli Close - motor vehicle theft

October

Wandi Resource Centre Car Park – Laptop stolen from car. We understand that this laptop was fitted with a tracker and was found to be in one of four houses in Jandakot. Unconfirmed reports are that when a search warrant was requested the duty magistrate declined to sign it off...unbelievable!

Illegal dumping is now becoming rife in our area, if you see it happening please make a note of the vehicle registration and report it to council on 94390200.

Neighbourhood Watch - Did you know that the WPA monitors Neighbourhood Watch reports and issues alerts via email? To register contact WandiProgress@gmail.com

Finally please consider supporting the Wandi Progress Association and Wandi Landcare Group by becoming members – cost of membership is only \$10 and \$5 respectively – Download an application form at

http://wandiprogess.org/resources/WPA2011_MEMBERSHIP_APPLICATION_FORM.pdf

Do you have any useful community news such as crime in the area etc? Contact the Editor on 93970249 or email jimrussell@iceweb.com.au
